When all of the End of Key Stage or Early Years Foundation Stage Profile results have been entered, you can export the results via CTF.

Please ensure that you return outcomes/scores for all the pupils you need to. Below is DfE guidance explaining the eligible periods for each key stage.

### **EY FSP**

- If a child starts a new school or provider on the first day of the second half of the summer term (or any time after that), then the previous school should submit the data to the LA.
- If a child moves school or provider any time before the half term, then the new school should submit the data.
- If half term dates differ between schools and LAs, it is the school or provider where a child attends (or will attend) for the longest period of time that submits the data.

### **Phonics** – if a pupil changes school:

- before the check period – the receiving school should assess the pupil and submit data for them.
- during the check period – the receiving school should find out whether the pupil has already taken the check (if not, they should assess the pupil and submit data for them).
- after taking the check – their result should be submitted by the school where they took the check and provided to the new school.

### **KS2**

- If a pupil changes school before test week, the receiving school must submit TA data for them.
- If a pupil changes school during test week, the school where the pupil was registered at the beginning of test week must submit TA data for them.
- If a pupil changes school after test week, the school where the pupil was registered during test week must submit TA data for them.
