# Global Learning *programme*

## Final opportunity for your school to get **£3,375+ of funding**

Does your school already participate in any of the following initiatives?

- Eco-Schools
- Connecting Classrooms
- International School Award
- Rights Respecting Schools Award
- Fairtrade School Award
- Geography Quality Marks
- Oxfam World Shapers

**Sign up**  
in time for our last  
training session  
in January 2017!

See overleaf  
for details.

If so, you are ideally placed to nominate your school for the funding,\* training and support provided by the **Global Learning Programme (GLP)**. Becoming a GLP Expert Centre would build on your school's existing work with these initiatives, and give you the chance to enhance your own lessons and share your learning with a network of other teachers.

**Don't miss  
this exciting opportunity!**

**Find out more at  
[www.glp-e.org.uk](http://www.glp-e.org.uk)**

# Don't miss your chance to get GLP Expert Centre funding, training and support!

In addition to receiving funding,\* training and support, becoming a **GLP Expert Centre** enables you to develop a learning network with your GLP Partner Schools. Each GLP school has up to £500-worth of e-credits\* to spend on approved CPD from local and national training providers. It also offers a member of the teaching staff the chance to gain recognition and obtain the GLP Lead Practitioner accreditation.

The next GLP Expert Centre training session takes place from 11 to 13 January 2017. Expert Centres receive resources, support from a GLP Local Advisor, and gain access to a wide range of materials available from [www.glp-e.org.uk](http://www.glp-e.org.uk)

## Get in touch

If you'd like to consider nominating your school to become a GLP Expert Centre, simply email [glp@pearson.com](mailto:glp@pearson.com) for more information. The first step is to register for the GLP at [www.glp-e.org.uk](http://www.glp-e.org.uk). Registration is free, only takes a few minutes and will give you instant access to all the resources and support already available to the 5,000 schools taking part in the programme.

\*The GLP is funded by the UK government and the actual amount awarded to each school is dependent on the number of schools in their GLP network. All schools can join the programme, but funding is only available to Key Stages 2 and 3 in state schools in England. The GLP in England (GLP-E) is managed by a consortium of partners: Pearson (lead), Geographical Association, UCL Institute of Education, Oxfam UK, Royal Geographical Society (with IBG), SSAT and Think Global.
