

# Introducing my-Ed. 'Speaking English'.

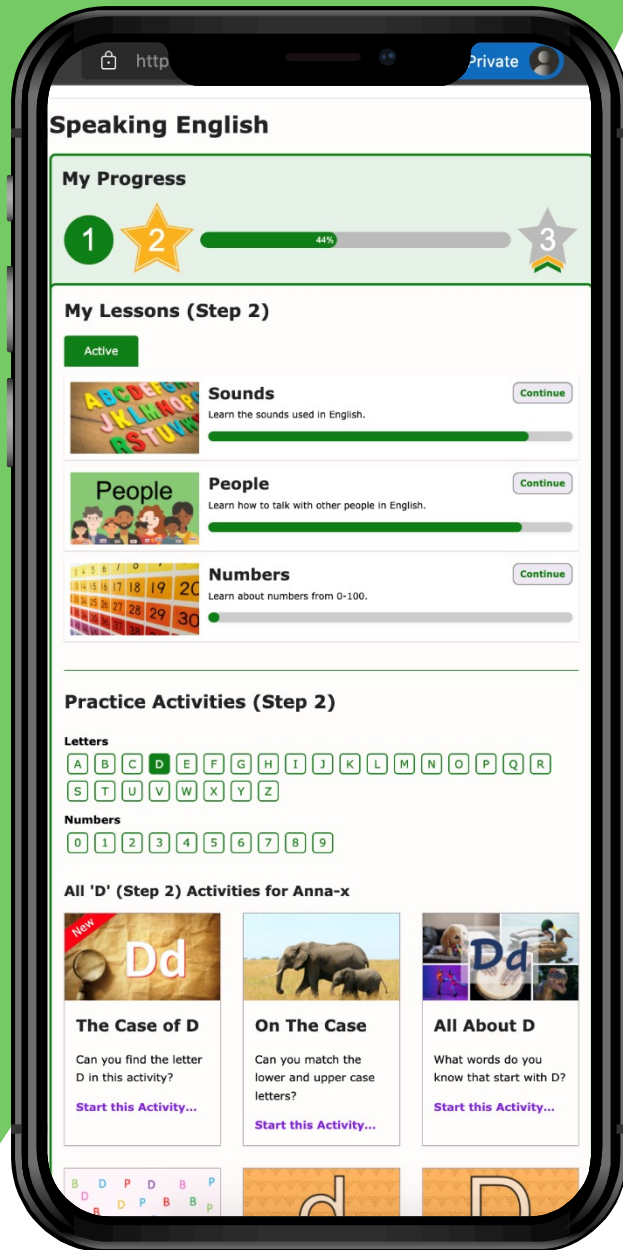

The interactive online learning platform developed by education and wellbeing experts at Kent County Council.

Suitable for EAL, ESOL or learners with no other language.

my-Ed.

Empowering students  
by developing  
confidence and skills.

my-Ed. provides:

### Engaging Activities and Courses

Children, young people and adults complete interactive lessons to develop confidence and skills with speaking, listening, reading and writing English.

### Age-appropriate Lessons

With age-appropriate wellbeing, life skills and British values interwoven throughout content; students are empowered in their daily lives.

my-Ed.

# Speaking English is tailored for all ages.

## Younger Learners

my-Ed. provides younger learners with the language and tools to access and engage with the school curriculum.

## Older Teenager and Adults

Older teenager and adult learners will develop the skills, knowledge and understanding to function and participate in everyday life in the UK.

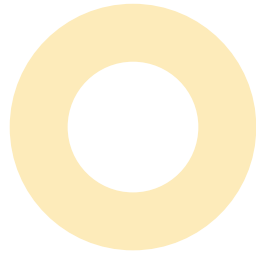

All learners gain confidence through structured courses, progressing from low demand to independence-building high demand activities.
