

FASD

Foetal Alcohol Spectrum Disorder

Wednesday 7 May 2025
9.30am to 11.30am

Presenter: Sam Armstrong

Specialist Teacher for C&I and Early Years and Trustee of FASD Awareness Charity

Foetal Alcohol spectrum condition affects more than 1.2 million people nationwide and yet remains a fairly unknown condition. This lifelong neurological disorder impacts cognitive development, social and emotional development and communication and interaction. New guidance on FASD released in 2023 outline the need for more training for schools to support pupils with the condition.

Course Objectives:

- To understand what is meant by FASD
- To understand the barriers faced by people with FASD
- To know some strategies for supporting pupils with FASD in the classroom.

Course aimed at: All staff involved in teaching and learning. Including TAs, HLTAs, and Learning Mentors

Cost of course: **£30 per place for Schools**
£15 per place for EYs settings

Course Venue: SMILE Centre, Whitfield Aspen School, Mayfield Road, Whitfield, CT16 3LJ.

Please book by: **Wednesday 30 April 2025.** If minimum required numbers to run the course have not been reached by this date the course will be cancelled and any bookings will be passed on to courses in our neighbouring districts.

To find out more or to book a place please contact:
