Dear Colleague,

We are looking forward to being able to see the full picture of Kent Secondary Schools' results for 2024, as we are sure there will be much to celebrate. It is very helpful for the LA to have as full and accurate account as early as possible and therefore we are asking you to share your summary Post-16 and Key Stage 4 results with KCC in August.

To ensure we have a picture as soon as is possible, we are asking for your **Post-16 results on the 15<sup>th</sup> August**, and **your Key Stage 4 results on 22<sup>nd</sup> August**. We would be grateful if you could e-mail these to the MI inbox **by 11am**: [MIEducation&WiderEH@kent.gov.uk](mailto:MIEducation&WiderEH@kent.gov.uk)

This year we would be grateful if you could complete the summary pro-forma that is included together with this letter. A copy of the pro-forma can also be found on MI's Attainment and Progress page on KELSIS via the following link: <http://www.kelsi.org.uk/running-a-school/data-and-reporting/management-information/attainment-and-progress>

Further to our recent letter inviting you to subscribe to the Nexus Nova and Insight reporting and analysis modules, we would like to remind you that there is a 20% discount available to schools who submit their Key Stage 4 and Post-16 results (where applicable) by the dates listed above.

We understand that these are very busy days for you and your staff and that your first priority is the needs of your students. However, we would very much appreciate your support in gathering this information to enable us to have an accurate view of achievement across Kent.

We would like to thank you for your support and wish you and your students every success.

Yours sincerely

Wendy Murray
